Instructions

Filing requirements

Every IDA must file this compliance report every year. The report must include:

- the terms and conditions for the recapture of state sales tax exemption benefits (as described in General Municipal Law (GML) section 875(3)) within all of the IDA's resolutions and project documents. This applies to:
 - projects established and agents or project operators appointed, and any financial assistance or agreement for payments in lieu of taxes provided, on or after March 28, 2013; and
 - any amendment or revision for additional funds or benefits made on or after March 28, 2013, to projects established, agents or project operators appointed, financial assistance provided, or payments in lieu of taxes provided, prior to March 28, 2013.
- information about efforts the IDA has made to recover, recapture, receive, or obtain any state sales tax exemption benefits and payments in lieu of state sales taxes from an agent/project operator, or other person or entity.

Every IDA must file Form ST-62 within 90 days of the end of each fiscal year.

The term *state sales tax* as used in this form includes both state sales tax and the state use tax.

For more information, see TSB-M-14(1.1)S, *Sales Tax Reporting and Recordkeeping Requirements for Industrial Development Agencies and Authorities*.

Any IDA that fails to file or substantially complete this report may lose its authority to provide state sales tax exemption benefits.

Terms and conditions for the recapture of state sales tax exemption benefits

Line 2 – If the IDA:

- **used the same** standard terms and conditions for the recapture of state sales tax exemption benefits in the project documents for all projects covered by this report, attach a copy of the terms and conditions used. You are **not** required to attach the entire document. Attach only the sections describing the state sales tax recapture requirements described in GML section 875(3).
- **used different** terms and conditions for the recapture of state sales tax exemption benefits in the project documents for the projects covered by this report, attach a copy of the terms and conditions used and identify the project(s) to which they relate. Be sure to include the project name and address, and the legal name and EIN of the agent or project operator for each project identified.
- provided state sales tax exemption benefits **but did not include** terms and conditions for the recapture of those benefits, attach a list of these projects. Include the project name and address, the legal name and EIN of the agent or project operator, and the reason why terms and conditions regarding recapture were not included.

Activities and efforts to recapture state sales tax exemption benefits

The GML requires that each IDA recapture state sales tax exemption benefits that were claimed by a project operator or agent, or other person or entity, whenever the benefits were:

- not entitled or authorized to be taken,
- in excess of the amounts authorized,
- for unauthorized property or services, or
- for property or services not used according to the terms of the agreement with the IDA.

See Form ST-65, *IDA Report of Recaptured Sales and Use Tax Benefits*, for more information.

IDAs must remit recaptured state sales tax benefit amounts to the Tax Department within 30 calendar days, using Form ST-65.

Line 4: If the IDA made efforts to recapture sales tax exemption benefits during the fiscal year covered by this report and **has not filed** Form ST-65, attach an explanation.

The attachment must include:

- name and address of the project and project number;
- legal name, EIN, and address of the agent/project operator, or other person or entity;
- project beginning and end dates;
- the basis for recapture, as described above;
- date of recapture efforts;
- amounts identified as required to be recaptured; and
- amount recaptured, if different.

When identifying recapture amounts, be sure to break down the total dollar amount into the categories below:

- state tax,
- local tax,
- MCTD tax (if applicable),
- penalties, and
- interest.

If the amount recaptured was not paid in full, also include copies of correspondence exchanged between the IDA and the agent/project operator, or other entity or person regarding the recapture efforts.

(a) In the event that the Company ceases operation of the Project or relocates its operations to a location outside of the Village of Warsaw within the time period during which the Company is receiving Financial Assistance from the Agency, or an event of default occurs under any of the Project Documents which is not cured by the Company within any applicable cure period, or in the event the Agency determines, in its judgment, that the Company knowingly and intentionally submitted false or intentionally misleading information in its Application to the Agency or in any report or certification submitted to the Agency for the purpose of obtaining or maintaining any Financial Assistance from the Agency (each referred to herein as a “Recapture Event”), the Agency may, in accordance with its policies and procedures then in effect, (i) revoke the designation of the Company and any agents of the Company (including, but not limited to, consultants, sub-contractors or equipment lessors of the Company) as agents for the Agency in connection with the Project and terminate the exemption from New York State and local sales and

use taxes conferred with respect to the Project and/or (ii) otherwise modify the amount or terms of any Financial Assistance being provided by the Agency in connection with the Project and/or (iii) require that the Company, commencing with the tax fiscal year next following such Recapture Event make payments in lieu of taxes on the Project with respect to all applicable taxing authorities in such amounts as would be payable as real estate taxes levied on the Project if the Agency did not have an interest in the Project or otherwise modify the amount or terms of any Financial Assistance being provided by the Agency in connection with the Project and/or (iii) require that the Company pay to the Agency an amount equal to all or a portion (as determined by the Agency in its discretion) of the total value of (x) all sales tax exemptions claimed by the Company and any agents of the Company, including, but not limited to, consultants, sub-contractors, or any equipment lessors of the Company under the authority granted under the Resolution and this Agreement, and/or (y) any exemption from real estate taxes received by reason of the Agency's leasehold interest in the Project. If the Agency makes any of the foregoing determinations and requires a repayment of all or a portion of the Financial Assistance received by the Company, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all financial assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s) unless otherwise agreed to by any affected tax jurisdiction.

(b) In addition, in the event, because of the involvement of the Agency, the Company claims an exemption from the New York State portion of any sales taxes in connection with the Project, and such exemption is claimed with respect to property or services not authorized hereunder or under the Resolution, or which exemption is in excess of the amounts authorized hereunder or under the Resolution, or is otherwise not permitted under this Agreement or the Resolution, or if the Company shall fail to comply with a material term or condition regarding the use of property or services acquired by the Company as agent for the Agency as set forth in this Agreement, the Resolution, the PILOT Agreement or in any other document executed and delivered by the Company in connection therewith (collectively, the "Project Documents") then the Company shall be required to remit to the Agency an amount equal to the amount of New York State portion of any sales taxes for which such exemption was improperly claimed. A failure to remit such amounts may result in an assessment against the Company by the Commissioner of the New York State portion of any sales taxes, together with any relevant penalties and interest.

(c) The rights of the Agency pursuant to this Section 6 and the obligation of the Company to cooperate with the Agency in its exercise of those rights shall survive the termination of this Agreement.
