

AGREEMENT FOR PAYMENT IN LIEU  
OF REAL ESTATE TAXES

THIS IS AN AGREEMENT dated as of October 1, 2021 between the WYOMING COUNTY INDUSTRIAL DEVELOPMENT AGENCY (the “Agency”) and NY PIKE I, LLC (the “Company”) for the making by the Company of certain payments in lieu of real estate taxes, as required by the Agency Lease Agreement between the parties, entered into as of October 1, 2021, by which the Agency has leased certain premises to the Company (the “Lease Agreement”). The Agency and the Company each accept and agree to the following statements or terms. This Agreement will be referred to herein as the “PILOT Agreement.”

Section 1. Definitions.

Unless otherwise defined herein, the terms used in this PILOT Agreement shall have the meanings specified in the Lease Agreement.

Section 2. Agency Tax Exemption and Term.

(a) Subject to the completion and filing of an Application for Tax Exemption by the Taxable Status Date and the approval of the Application for Tax Exemption by the Assessor, the Project shall be exempt from Real Estate Taxes commencing with the 2022 - 2023 tax fiscal year of the School District and the 2023 tax fiscal year of the Town and County. The Company shall provide the Agency with all information required to complete the Application for Tax Exemption and shall provide such additional information and take such actions as are required by the Assessor in order to process and approve the Application. In the event the exemption from Real Estate Taxes is denied for any reason, the Company agrees to pay all Real Estate Taxes levied upon the Project as they become due. To the extent permitted by law, the Company shall have the right to protest such denial subject, however, to the conditions set forth in Section 8.1 of the Lease Agreement. The Company hereby waives any claim or cause of action against the Agency and releases the Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes. This PILOT Agreement shall have a term of twenty (20) years such that this PILOT Agreement shall terminate on February 28, 2042, unless otherwise terminated as set forth herein.

(b) It is understood and agreed that the real property tax exemption conferred upon the Project by virtue of the Agency’s involvement applies only to the approximately 2.0-megawatt (MW) AC community solar electric generating facility to be constructed on the Premises (the “Solar Facility”). The real property tax exemption does not apply to exempt the general levy real property taxes on the real property or the improvements that existed on the real property prior to the effective date of the Lease Agreement and this PILOT Agreement (the “Land Taxes”), which Land Taxes shall continue to be paid by the fee/title owner of the Premises to each respective taxing jurisdiction as and when due.

Section 3. Obligation of the Company to Make Payments in Lieu of Taxes.

Subject to the approval of the Application for Tax Exemption, the Agency shall require and the Company agrees to make payments in lieu of real estate taxes (the “PILOT Payments”) to the appropriate taxing authorities pursuant to the terms of this PILOT Agreement.

#### Section 4. Taxing Authorities and Amounts.

(a) Until the commencement of the tax fiscal years set forth in Section 4(a)(i) hereof, the Company shall continue to pay all appropriate taxing authorities all taxes due as if the Agency did not have an interest in the Project. As set forth below, the total PILOT Payments required under this PILOT Agreement are allocated among the affected tax jurisdictions in proportion to the amount of real property tax and other taxes which would have been received by each affected tax jurisdiction had the Project not been tax exempt due to the status of the Agency. Thereafter, the Company shall make PILOT Payments to all appropriate taxing authorities on the Solar Facility constituting the Project (part of SBL No. 189.-1-29), as more particularly described on Schedule A attached hereto and made a part hereof, in accordance with this Section.

(i) PILOT Payments to the County of Wyoming (the "County") for each of the tax fiscal years 2023 through 2042, to the Town of Pike (the "Town") for each of the tax fiscal years 2023 through 2042 and to the Letchworth Central School District (the "School District") for each of the tax fiscal years 2022 - 2023 through 2041 - 2042 or until termination of the Lease Agreement, whichever occurs first, shall be in an amount equal to the sum of multiplying the solar production nameplate capacity of the Project measured in megawatts ("MWs") by a fixed amount of \$1,000.00, subject to an annual increase of two (2%) percent, as more particularly set forth in Schedule B attached hereto and made a part hereof.

(ii) PILOT Payments shall be made to the Agency at 36 Center Street, Suite D, Warsaw, New York 14569, or such other place as may be designated by the Agency from time to time, no later than February 1 of each year in which this Agreement is in effect.

(iii) In addition to the foregoing, to the extent that special district charges, special assessments and special *ad valorem* levies (specifically including but not limited to fire district charges), and pure water charges and sewer charges are levied against the Project, they will be paid in full as if the Agency did not have an interest in the Project.

(b) The PILOT Payments required under Paragraph 4(a)(i) of this Section shall in no event be more than would be otherwise payable as taxes if the Agency did not have an interest in the Project.

(c) Each of the foregoing payments described in this Section shall be made on or before the date specified herein.

(d) Upon the termination of the periods shown in Paragraph 4(a)(i) of this Section, for the respective taxing authorities, the Company shall make full payment in lieu of all taxes on the Project as if the Agency did not have an interest in the Project.

(e) The parties assume that the completed Project will be identified as exempt on the tax rolls by the Taxable Status Date of March 1, 2022. In the event that this assumption is incorrect, then the dates expressed in Paragraph 4(a)(i) will be adjusted accordingly.

#### Section 5. Proration.

During the last year of the term of the Lease Agreement, the Company may prorate any of its PILOT Payments on the basis of the actual period during which the Agency has an interest in the Project so that there shall exist no period of time for which the Company is obliged to make PILOT Payments in addition to the actual tax payments to which the Project is subject, under current law, at the time the Agency's interest in the Project is terminated.

Section 6. Obligations and Rights of the Company Relating to Tax Assessments and Levies.

(a) Subject to the provisions of the Lease Agreement, the Company in cooperation with the Agency shall:

(i) cause the appropriate real estate tax assessment and tax levy officers to assess the Project and apply tax rates to the respective assessments as if the Agency did not have an interest in the Project;

(ii) cause the appropriate real estate tax officers to submit to the Company, when the respective types of taxes are levied on privately owned property, statements specifying the respective amounts and due dates of taxes involved in this PILOT Agreement which the appropriate taxing authorities would receive if the Agency did not have an interest in such property; and

(iii) file any accounts or tax returns required with the appropriate officer or officers.

(b) The payments the Company is required to make under this PILOT Agreement are subject to the Company's rights, hereby granted, (i) to obtain reductions in the assessed valuation of the Project or to obtain exemptions and discounts, if any, which are afforded to the Company as a private owner of the Project (excluding, however, any, discount or exemption afforded by Section 485-b or Section 487 of the New York Real Property Tax Law), and (ii) to seek to obtain refunds of any such payments made including payments made pursuant to this PILOT Agreement. The Agency, at no expense to the Agency, shall join in any procedure for obtaining relief under this paragraph to the extent that the Agency's consent is required for the Company to undertake such procedure; provided, however, that the Company shall continue to make the payments in lieu of taxes required by this PILOT Agreement adjusted for any reduction as provided above so long as the Lease Agreement shall remain in effect.

Section 7. Default in PILOT Payments.

In the event the Company fails to make PILOT Payments when due, whether for a full tax fiscal year or years or for a portion of a tax fiscal year pursuant to Sections 4 or 5 hereof, the amount or amounts so in default shall continue as an obligation of the Company until fully paid. In addition, if any payment is not received by the affected taxing jurisdiction or jurisdictions when due, the Company shall pay (i) a late payment penalty equal to five (5%) percent of the delinquent amount, and (ii) for each month, or part thereof, that the payment is delinquent beyond the first month, interest on the total amount due plus the late payment penalty, equal to one (1%) percent per month until the payment is made. The Agency and the Company hereby acknowledge the right of the Town, the County and the School District to recover directly from the Company any amounts so in default pursuant to General Municipal Law §874(6). The Company shall

promptly notify the Agency of any action brought, or other measure taken, by a taxing jurisdiction to recover such amounts. It is understood that the right of any taxing jurisdiction herein acknowledged is in addition to, and shall not impair, the Agency's own rights arising from a breach of this PILOT Agreement. Should the Agency, the Town, the County and/or the School District commence any action to recover directly from the Company any amounts so in default, such parties shall be entitled to recover from the Company the amount due, the late payment penalty, interest, expenses, costs and disbursements, together with the reasonable attorneys' fees necessary to prosecute such action or proceeding.

Section 8. Effect of Fulfillment of the Requirement.

Once having paid the amounts required by this PILOT Agreement, the Company shall not be required to pay any real estate taxes for which PILOT Payments have been made.

Section 9. Effect of Events of Default.

(a) The following shall constitute "Event(s) of Default" hereunder:

(i) The Company fails to make any PILOT Payments required hereunder or fails to perform any other obligation imposed on the Company hereunder.

(ii) The occurrence and continuance of any other Event of Default as defined in the Lease Agreement.

(b) If the Project is not being used in accordance with the Act or the Lease Agreement, or if an Event of Default occurs, the Company shall make PILOT Payments on the Project in such amounts as would be payable as real estate taxes levied on the Project as if the Agency did not have an interest in the Project. The applicable tax assessment and tax levy rates shall be those in effect in the records of the appropriate taxing jurisdictions.

(c) The period for the payments required by Paragraph (b) of this Section shall commence on the date the Agency determines (i) that the use of the Project under the Act or the Lease Agreement is not being complied with, or (ii) that an Event of Default has occurred and is continuing.

Section 10. Survival of the Company's Obligations.

The obligations of the Company under this PILOT Agreement shall survive the termination or expiration of the Lease Agreement, for whatever reason terminated or expired.

**THE REMAINDER OF THIS PAGE LEFT INTENTIONALLY BLANK**

IN WITNESS WHEREOF, the Agency and the Company have caused this PILOT Agreement to be executed by their Authorized Representatives, all as of the date first above written.
